Partners Shopping Event 2017 Underwriting Sponsorship

Partners Shopping Event is a special shopping experience that takes place October 20 through October 29 to benefit patient care and research at the UT Health San Antonio Cancer Center (formerly CTRC), one of only four centers in Texas designated by the National Cancer Institute as providing the highest level of cancer care and research.

Here's how Partners Shopping Event works:

- ◆ Individuals buy a Partners Shopping Card for \$50, with 100% of net proceeds going directly toward patient care and cancer research.
- ◆ All participating merchants offer a 20% discount to cardholders Friday, October 20 through Sunday, October 29.
- ◆ Sponsors underwrite all production costs of the Partners Shopping Event promotion, including citywide advertising.
